# All About Us

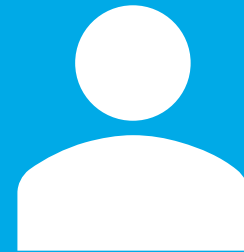

East Midlands based with offices in;

- Castle Donington
- Nottingham

Covering all parts of the UK from our central location.

We only use and supply the best equipment on the market.  
Experts in videography, video editing and technical surveillance

Our staff are all interviewed and fully trained with years of real experience including police and military backgrounds for most.

# Private Clients

## Matrimonial Investigations

We get you the evidence you need to move forward with your life.

- Cheating man
- Cheating woman

We investigate both.

## People Tracing Investigations

This is a NO FIND NO FEE service!  
We will find your debtors or long lost family members in days sometimes hours.

## Co-Habitation Investigations

Going through divorce is hard enough but using our evidence in court is worth the investment.

# Business Clients

## Injury Fraud Investigations

Our expert surveillance teams record and gather evidence to prove or disprove someone's injury claim. Be it an employee or someone claiming against you.

## Employee Theft Investigations

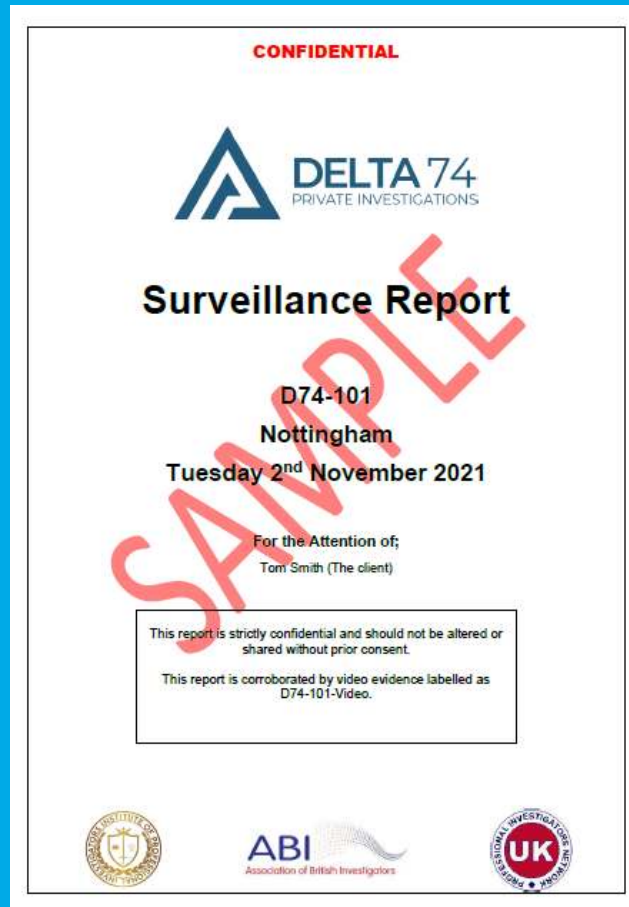

Employee theft costs £190 million every year in the UK. This is catastrophic for big and small businesses alike on cashflow and staff morale.

## Employee Moonlighting

It is a very common occurrence in today's climate that employee's are not solely loyal despite being contracted. We can help.
